Fibre Camp Postponed

After much consideration, we have decided to postpone Fibre Camp 2020. We have re-scheduled for 2021 September 10-12. We have confirmed that our 2020 teachers will be able to join us in 2021 and present the workshops we had anticipated. Our website will be updated soon www.fibrecamp.ca.

The AGM Will Be Virtual!

So many of us are learning new technological skills during this time of COVID19 and are getting more comfortable using platforms such as Zoom to gather, share and learn. The executive met and have concluded that we can hold our AGM via Zoom on June 1st, 2020 at 1:00 PM. As it is necessary to have a quorum of 1/3 of the membership (31 for us), if you are unable to attend or are uncomfortable with Zoom please give a friend your proxy or vote on the motions by email to me at dlim@eastlink.ca before Monday June 1, 2020.

The meeting room will open at 12:45 to allow time to address any technological glitches.

On a computer:

Please click on Chat and type in your name in the chat message box at the bottom of your screen for the attendance sheet that will be included in the minutes.

On a tablet:

Please click on Participants at the top of your tablet, then click on More which should show a Chat icon. Click and a message box will appear. Please type in your name for the attendance.

When the meeting starts I will mute everyone so that background noises do not confuse the format. You will be able to unmute yourself when you wish to speak. If you wish to speak click on your name in Participant and it will indicate to me that you wish to speak. I will keep a Speakers List and will call on you when it is your turn. You will be able to unmute yourself to speak.

Re: Motions

The motion will be read out.

If you wish to move or second the motion, please type in your name and (I move or I second) in the chat message box at the bottom of your screen.

A discussion will be called.

If you wish to speak, you need to click on your name in Participant (I will see a raised hand)
